Chairwoman Zoe Lofgren
Ranking Member Steven King
Subcommittee on the Immigration, Citizenship, Refugees, Border Security, and
International Law
517 Cannon House Office Building
Washington, DC 20515

Dear Chairwoman Lofgren and Ranking Member King:

The undersigned organizations write to respectfully request a hearing on **H.R. 662, Commission on Wartime Relocation and Internment of Latin Americans of Japanese Descent Act** before the end of this year in remembrance of the 20th anniversary of Civil Liberties Act.

H.R. 662 would create a commission to investigate the World War II-era abduction, internment, and deportation of Japanese Latin Americans and to recommend appropriate remedies for the manner in which they were treated.

The U.S. government uprooted approximately 2,300 men, women and children of Japanese descent from their homes in thirteen Latin American countries and detained them in internment camps in the United States. Over 800 of these individuals were deported to Japan in prisoner exchanges. While the Civil Liberties Act of 1988 addressed the plight of Japanese Americans and provided compensation payments to former internees pursuant to Executive Order 9066, it did not bring relief for Japanese Latin Americans who were abducted and unlawfully interned in the United States.

H.R. 662 is an important step in bringing this regrettable chapter in American history to closure. It would establish a nine member commission to investigate the relocation, internment and deportation of Japanese Latin Americans, the impact of those actions, and it would make appropriate recommendations. Within one year, the commission would conclude its work by submitting a written report to Congress.

We urgently request you to hold a hearing on H.R. 662 in your subcommittee before the end of the year or in January 2009. We realize that time is running out for the remainder of this year; however, we have been preparing for this hearing for many months, and we can assure you that we will do everything we can to lessen the workload of your subcommittee staff. Holding a hearing on this bill would help expedite the legislative

process next Congress and we would appreciate your commitment to hold a hearing during the lame duck session or early next year.

Thank you for your support in the past years and we look forward to your continued support especially as Americans commemorate the 20th anniversary of the historical Civil Liberties Act. **Please hold this hearing to commemorate this monumental civil and human rights anniversary.**

Thank you for your consideration. Please contact Christine Oh at Campaign For Justice at 213-500-9346 or at info@campaignforjusticejla.org.
